

RA2 Select PRO Starter Kit

NEW!

Getting started with pro-grade smart lighting control is now easier than ever.

Main repeater—Schedule lights to automatically adjust at set times throughout the day. Easily sets up from a smart phone or tablet, using the Lutron app.

Pico scene keypad and in-wall controls—Set lighting levels for typical activities in a room with a dimmer and keypad.

Available through participating local distributors, this smart home product can be added to every job to boost your bottom line.

What's in the kit:

- (2) Maestro PRO LED+ dimmers (RRD-PRO-WH)
- (1) Pico “Any Room” scene keypad (PJ2-4B-GWH-P03)
- (1) Pico wallbox adapter (PICO-WBX-ADAPT)
- (3) Claro wallplates (CW-1-WH)
- (1) Main repeater (RR-SEL-REP2-BL)

Bonus! Purchase of this kit provides eligibility for the Lutron PRO program, where contractors earn rewards for installing Lutron products.
