THE BEAUTY OF OUR PROCESS
DEFINES WHO WE ARE

Since the company started, Niche has been committed to being a best-in-class modern lighting solution for the architectural & interior design community. With an assortment of glass shapes and colors to choose from, you can take any combination of our handmade pendant lights and turn them into a unique installation.

CURATED COLLECTION

OPALIA GLASS

The Opalia Collection, unique to our Ketra-Ready line, features a variety of high-quality, handmade glass pendant lights. Each pendant features glass with a milky-white hue that when paired with Ketra bulbs can offer lighting with millions of colors and superior CRI (color rendering index).

BESPOKE GLASS + KETRA COLOR

DECORATIVE LIGHTING

Designers—especially those who focus on high-end residential and hospitality spaces—love and rely on the flexibility of dynamic, tunable color. Each pendant light is compatible with Ketra-Ready LED technology, giving decorative handmade glass lighting the widest range of pristine whites and vibrant colors available.
