WARRANTY: [CLICK HERE](#)

*4K 165Hz is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary.

¹Covers 100% of UHD color spectrum (BT 2020), as compared to DCI-P3.

²VDE's verification evaluates products based on the test criteria established by the International Telecommunication Union (ITU) for UHD (4K) color standards, BT.2020, and certifies Micro RGB Precision Color.

³Utilizes AI-Based formulas.

⁴Ultimate Micro Dimming Pro is Software-based (not full-array hardware-based) technology.

⁵DLG 240Hz can be enabled in settings and will reduce image resolution. Up to 240Hz only available with PC connected games that support such specifications (PC graphics card required). Visual quality and results vary by title and system configuration.

⁶Q-Symphony requires a compatible 2020-2026 Samsung TV. Please refer to [samsung.com](#) for more information.

⁷HDMI-CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

⁸Samsung Vision AI features vary by model, see individual model for more info.

⁹AI inputs and queries may be recorded and shared with 3rd party providers. Requires Samsung account and consent to Viewing Information Service; must be 18 years or older. Accuracy not guaranteed. Check results.

¹⁰AI Soccer Mode must be turned on in settings. Utilizes AI-based formulas.

¹¹Feature availability varies by input source/app. Utilizes AI-based formulas; results vary. Samsung account and internet access required.

¹²Fees apply to subscription service.

¹³Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via

HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

¹⁴SmartThings require compatible devices only. SmartThings app download may be required.

¹⁵Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

¹⁶Requires SmartThings app to be installed on the mobile device and connected via the same Wi-Fi network as the TV set. Mobile mic is compatible only with Galaxy S23 or later models and iPhone 15 & above. You must download the Karaoke app from Tizen to use the Karaoke function. An additional paid subscription is

required for this service after 6 months of free use. (Users can access 5 songs per day for free without a subscription.)

¹⁷High speed internet connection, additional gaming service subscriptions and compatible controller required.

¹⁸Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
